3rd Annual Time of Remembrance

September 26, 27, 2009

On September 26 and 27, 2009, a statewide effort is being planned to honor the families and comrades of Washington, Oregon, Idaho, Hawaii and Alaska's FALLEN during this Global War on Terrorism. This tribute, being held in the cities of Richland, Kennewick and West Richland, Washington, to honor those who have died for their country and the families left behind. The 2009 "Time of Remembrance" committee, in partnership with American Citizens Encouraging Support (A.C.E.S.), is leading this effort.

"During this time of war, it's important to remember the sacrifice that so many of our service members and their families are making. Join us as we honor the memories of the courageous men and women who lost their lives in the line of duty and pray for the comfort of their friends and family."

and help us make a difference.

We've often asked ourselves

***"How can I really help make
A difference in this world?"***

"Time of Remembrance" is making a difference for the Families of our State's Fallen Heroes lost in the wars of Iraq, Afghanistan and the Global War on Terrorism, and your help can make a difference, too.

Throughout our history the men and women who have worn the uniforms of the United States have placed the security of our Nation before their own safety. America will be forever grateful for their service and sacrifice. On September 26th and 27th, 2009, we will honor those who have paid the ultimate price for our freedom.

These Soldiers, Marines, Sailors, Airmen and Coast Guardsmen took an oath to defend America, and they upheld that oath with bravery and decency. Over the years, they have fought to spread freedom and peace, and set a standard of courage and compassion for our Nations Fallen Heroes and demonstrate that the United States Armed Forces remain the greatest force for Freedom in human history.

"Time of Remembrance" wishes to extend their gratitude to the families who stood by our service men and women in these times of Global War on Terrorism. Each of the Fallen has left behind loved ones who carry a burden of grief. A gathering such as this demonstrates that they need not suffer their grief alone.

"Time of Remembrance" is seeking donations to pay for this tribute to our Fallen Warriors and their families for their personal courage and love of this country. These are the families that have inspired all Americans by their strength. Please give what you can.
